DISCUSSION

Tract 1747 is a residential development located at the northeasterly corner of Thompson Avenue and Chestnut Street in Nipomo.

On June 18, 2013, the electorate in Nipomo Lighting District, Tract 1747 voted for approval of an assessment for operations and maintenance of 16 existing street lights. The assessment was established with a maximum annual rate of \$51.76 per Assessor's Parcel Number and an increase by the lessor of three percent (3%) or by the average of the percentage increases in the Consumer Price Index (CPI) for "All urban Wage Earners and Clerical Workers" for all items for San Francisco/Oakland/San Jose and Los Angeles/Riverside/Orange County categories as published by the Bureau of Labor statistics in April of each year.

On June 2, 2015, the Board initiated proceedings to levy annual assessments for Tract 1747 Streetlight Assessment District and directed Deputy Director Dave Flynn to prepare the attached Engineer's Annual Levy Report. Today's action will approve the Engineer's Annual Levy Report and schedule a public hearing to consider levying the annual assessment to collect them on the FY 15/16 tax roll.

This collection procedure is authorized per Section 22620 et seq. of the Streets and Highways Code and 6061 of the Government Code. Adoption of the resolution requires a public hearing.

OTHER AGENCY INVOLVEMENT/IMPACT

County Counsel has reviewed the subject resolution and approved it as to legal form and effect. The Auditor/Controller/Treasurer/Tax Collector Office places the assessments in the property tax bills for collection of the annual charges. The Clerk publishes the notice of the hearing.

FINANCIAL CONSIDERATIONS

The recommended action will generate approximately \$8,100 in revenue which, other than interest, will be the sole source of 2015-16 revenue in Nipomo Lighting District, Tract 1747.

RESULTS

The recommended action will result in the continued operation and maintenance of streetlights in Tract 1747, thereby contributing to the health, safety, and quality of life in the community.
